

## **We Are The Friends**

We are volunteers who are proud of our excellent Library and are dedicated to helping the Library serve the community.

We believe our community Library is a measure of our cultural and intellectual values. The ongoing development of Library services requires support from caring residents.

The Friends of Mount Prospect Public Library is the organization that provides a venue for support.

## **What We Do**

The Friends actively support the mission of the Library by sponsoring programs, equipment, recognition, and providing financial support.

Through annual membership, quarterly Book Sales, and other sources of revenue, the Friends are able to purchase new equipment and fund special programs for Mount Prospect Public Library.
